6:30 pm - Parents welcome to take pictures before dropping off

Dear Parents and Students:

We are excited to be making preparations for the year end dance and party celebrating the end of the middle school years and welcoming the high school era. In order for everyone to enjoy the party without undue distraction and in an appropriate manner, we ask that you observe the following dress code.

Girls:

Let **MODESTY** be your guide, please. Party dresses are acceptable as long as the length is appropriate (no shorter than 4 inches above the knee) and they are not too tight or form-fitting. Please no halter/backless dresses and no low cut or strapless dresses. Please remember this is not PROM. Save the prom dress for high school. Heels are permitted. If you are uncertain, please bring a picture of the dress to the MS office.

Boys:

Shirt and tie required. No jeans or cargo pants. Dress slacks/nice khakis only please. Coat is not required, but a nice coat impresses the ladies. ☺ Dress shoes should also be worn. Please no tennis shoes or sandals.

All Students:

All students will be expected to conduct themselves in an appropriate manner for this occasion. Please discuss with your student the importance of conducting oneself in a way that honors Christ. With regards to dancing, students dancing inappropriately or overly suggestively will be asked to sit down and not participate. Our goal is to have a God-honoring celebration of our students' transition into a new level of education and community.

If you have any questions at all concerning the dress code or behavior, please feel free to email me at tmitchell@orangewoodchristian.org.
