Upper Campus 329

MISSION

The mission of Orangewood Christian School is to equip students to transform the world for Christ and His kingdom.

GOAL

Our goal is that children of believers are mentored and taught academics, technology, fine arts and athletics from a reformed, Christian perspective, encouraging them to discover and use their unique gifts and talents to God’s glory.

ACADEMICS

Orangewood Christian School provides a college preparatory Christ-centered education, designed to prepare student’s minds and hearts to make a positive impact in the world now and in adult life. At all grade levels, well-qualified teachers use an effective blend of educational technology, experiential learning, and traditional teaching methods to encourage all students to become better thinkers and problem-solvers. The high school offers a rigorous honors and AP (Advanced Placement) program for qualified students.

SPIRITUAL DEVELOPMENT

Every academic subject is taught from a biblical worldview. Spiritual development within the classroom is accomplished through daily devotions, prayer, chapel programs, Bible study, and Christian character emphasis. Our students are involved with community outreach, summer mission trips, numerous chapel, and worship experiences throughout the year.

INTERNATIONAL STUDENTS

Orangewood welcomes qualified international students from around the world to our home stay boarding program. Students from Germany, France, China, Korea, Vietnam, Nicaragua, the Ukraine, and the Bahamas have called OCS home.

OVERVIEW

Orangewood Christian School's lower school program provides a strong activity-rich academic foundation. Primary students, in grades K4-3, develop literacy skills through a phonics-based reading program that emphasizes quality literature, reading comprehension, writing, spelling, and grammar. Our enVision math program is for grades K-6 and encourages students to think critically while making meaningful connections across content areas. Our science program in grades K4-6 emphasizes hands-on learning.

ACADEMIC OPPORTUNITIES

National Elementary Honors Society (Grades 5 & 6), Duke University Talent Identification Program (Duke TIP), Disney Dreamer & Doer, Accelerated Reader Program, ACSI Competitions

COMMUNITY OUTREACH AND OPPORTUNITIES

Students have many opportunities to impact the community. Each grade level chooses several community service activities to complete during the school year. Students impact the community through outreach such as Savannah Court, Orlando Children's Church, Loaves and Fishes, Esther Single Mom's Ministry, and Canine Companions. In December, there is an annual school-wide service project, in which students serve various organizations within the community instead of receiving gifts. Family service projects are held quarterly.

OVERVIEW

Because all students are created in God’s image, loving and teaching students well is very important to us. The middle school years are a time of transition and growth for students as they leave their elementary years behind and prepare for a challenging high school academic program. In addition to the core academic classes, the students can choose from a variety of electives and after-school opportunities as they begin to discover their interests, gifts, and talents. All curricular and co-curricular offerings are taught from a Biblical perspective.

SPIRITUAL DEVELOPMENT

Orangewood Middle School students have numerous opportunities to grow in Christ. Our students are involved in Bible classes, summer mission trips, and weekly chapels. They interact with teachers who care deeply for them and serve them as mentors and Christian role models every day in the classroom.
